ENTRY INSTRUCTIONS

1. Although it is one of the oldest and largest parades in the country, The Days of '47 KSL 5 Parade has limited space. Early completion and return of the applicable parade application forms will enhance your ability to meet the entry requirements and gain approval. All parade entry applications must, at a minimum, include the following:
 - a. Parade Entry Application Sheet
 - b. Fact Sheet (please use the form applicable to your entry)
 - c. KSL and Announcer Information Sheet

These forms are available on our website: www.daysof47.com. **An application is not complete and will not be reviewed for approval until all paperwork and applicable fees are received.**

Completed forms with fees (if applicable) must be sent to:

Religious float entries:

*Cleve and Sheri Bohne
P.O. Box 57591
Murray, UT 84157*

All other entries:

The Days of '47 KSL 5 Parade
P.O. Box 112287
Salt Lake City, UT 84147-2287

Antique vehicles and horse entries must be preapproved (see instructions below).

Application Deadlines:

Religious floats, March 1, 2011
All other entries, May 2, 2011

2. The Parade Committee meets once a month to review completed applications. A Parade Committee decision regarding acceptance or rejection of an application is final. If an application is not approved, the applicable section leader will contact the applicant regarding the rejection or, if applicable, any changes needed to obtain approval.
3. Any entry may be pulled from the line-up at any time prior to or during the parade if, in the sole discretion and judgment of the Parade Committee, the entry does not meet parade standards.
4. Approximately two weeks prior to July 25, 2011, information about line-up, assembly and parade position will be sent to the person or entity designated on approved applications.

GENERAL STANDARDS

1. Entry applications will be rejected if the Parade Committee, in its sole discretion and judgment, determines an entry to be political, controversial, unlawful or otherwise inconsistent with the standards, theme or purpose of the parade.
2. Participants in the parade should be neat, clean in appearance, dressed modestly and present a positive image for the sponsoring organization and the parade.
3. Marching/walking groups are not permitted in the parade unless they are part of a marching band.
4. **Salt Lake City ordinances** prohibit any items to be thrown from or passed out by an entry along the parade route.
5. Sound will not be permitted with a float unless specific, prior approval is granted by the Parade Committee. A limited number of floats with sound will be accepted to minimize conflicts with bands, horses and other floats. **Sound is not permitted with horse entries or antique vehicles.**
6. Individuals in costumes that enhance the theme of an entry are allowed to walk with the entry only with prior approval from the Parade Committee. Walkers are not allowed to accompany an antique vehicle.
7. Costumed or uniformed participants walking with an entry or band must be at least **14 years of age**.
8. The parade route exceeds two miles and July temperatures, coupled with the pavement's heat, quickly deplete hydration. **Please assure there is sufficient water for all your entry's participants.**

ANTIQUE VEHICLES

Antique vehicles must be pre-World War II (1942), although some cars from the early 1950s may be given consideration. All antique vehicle entries must be pre-approved by the Antique Vehicle Section Leader, Jim Williams, who can be contacted at 801-295-1914. A picture of the vehicle must be included with the application. Miscellaneous vehicle entries, such as convertibles, trucks, large equipment, etc., will not be allowed in the parade.

HORSE ENTRIES

Horse entries must be pre-approved by the Horse Section Leader, Keith Tripp, who can be contacted at 801-572-6252. All Horse Groups must consist of at least 12 horses to be given an individual or separate line-up spot in the parade. Entries must be able to travel the two-mile parade route in the heat of a July day.

BANDS

Band members, directors and support personnel must be in uniform. **It is imperative that sufficient water be provided for all band participants before, during and after the parade.** The Parade Committee will select then extend an invitation to bands to participate in the 2011 parade.

FLOATS

1. All floats must be designed and constructed consistently with the annual theme of The Days of '47, Inc. Floats may not solely depict the products or services of a float sponsor.
2. The Days of '47 Parade permits self-propelled floats only. Decorated autos, trucks, tractors or other vehicles are not allowed to pull floats.
3. Floats or portions thereof that have previously appeared in the parade in their present form will not be allowed.
4. Each float must be accompanied by a single float walker provided by your organization. Each entry's float walker is the communications link between parade personnel and the float driver.
6. Floats must be able to accommodate a tow rope at the front of the vehicle. If the float breaks down and is stopped for more than 30 seconds, it will be subject to towing. Effort will be made to pull the float along the parade route, however, the parade personnel will determine whether the float can be safely pulled or must be removed from the parade. A good running motor with adequate fuel is a critical part of every float.
7. Floats must be capable of negotiating sharp turns. **Maximum float height is 14 feet, maximum width is 15 feet and maximum length is 65 feet.**
8. A float's theme must include words from or portions of the 2011 Days of 47' Parade Theme which is "Press Forward Pioneers".
9. Float applications must include a photo, sketch or rendering of the float, preferably in color.
10. In compliance with Rocky Mountain Power's restrictions protecting its overhead lines and equipment, no pyrotechnics or flames are permitted.
